MANUFACTURING ASSOCIATE PROGRAM

This 6-week Certified Manufacturing Associate training program prepares individuals for high-demand, well paying, entry-level careers including assemblers, associates, and production operators.

This program is FREE of charge for the first ten (10) students!

Online Classes

Online classes from Tooling U-SME provide the best manufacturing content developed by industry experts. The 25 lessons are self-paced, typically taking 60 minutes each, and available any time on desktops, laptops and tablets. An open-book proctored exam will be given at the end of the program.

Connect with Industry

The cohort will include weekly tours of local manufacturing companies Wednesdays at 1pm giving you the opportunity to explore jobs in your town and create valuable company contacts.

PA CareerLink® Support

This 6-week program will also include weekly opportunities with PA CareerLink® staff for job seeking support, resume writing and interview coaching. These optional meetings will be held at Corry Hi-Ed each Wednesday from 9am-12pm..
